I AM ADRENALINE

COOLPIX AW130

If you have an active lifestyle, you’ll value a camera that can keep pace with you, whether you ride, hike, or sail. The COOLPIX AW130 can dive as deep as 30m¹, is shockproof to 2m², dustproof and cold resistant to -10°C. You can share images instantly – just by tapping the camera to a smart device³ – with NFC³ support and built-in Wi-Fi®⁴, while GPS/GLONASS/QZSS help keep track of all the action. Superb shots are simple with the bright NIKKOR lens and 5x optical zoom, extendable to 10x Dynamic Fine Zoom⁵. High-performance vibration reduction minimises blur for smooth Full HD movies too. The COOLPIX AW130 fits your active life at home or in the wild!

Black  Blue  Orange  Camouflage  Yellow

Note: Color availability may vary per region.
Instant sharing, waterproof and adventure-proof

Waterproof to 30m
This camera can go as far as an Advanced Open Water diving certification – right down to 30m¹ – without having to use a housing. Carry the same camera on land and underwater!

Adaptability

High-performance VR (Vibration Reduction)
Sharper images are guaranteed with the combination of Lens Shift and Electronic VR compensating for camera shake in active scenes or while zooming.

Recommended accessories

- NIKON Outdoor Accessory Kit COOLKITK004
- NIKON Floating Strap ALM23060
- NIKON Bike Mount VAECSS64
- NIKON Waterproof Bag VAECSS66
