The COOLPIX S7000 is your kind of camera if you like to record daily life in images, and enjoy photography when you travel. It packs powerful performance into a slender body, with a 20x optical zoom, extendable to 40x Dynamic Fine Zoom, for catching all the action near or far. You can share photos easily with NFC support, just by tapping your camera to a smart device, or with the dedicated Wi-Fi button. Full HD and Time-lapse movies are simple to make, stunning travel scenes can be captured easily with Easy panorama, and High-performance vibration reduction keeps your camera stable for clear shots. The stylish COOLPIX S7000 helps you capture life as it happens!

Note: Color availability may vary per region.
Built-in Wi-Fi® and NFC support

Staying social is simple – share your high-quality images with a one-touch Wi-Fi® button or with NFC technology it’s as easy as tapping your camera to a smart device.

Easy panorama 360°/180°

When you’re on your travels, give beautiful scenery the treatment it deserves by creating a stunning panorama – just tilt your camera vertically or pan horizontally.

NIKKOR 20x optical zoom lens

You’ll always capture great facial expressions and distant action with a 20x optical zoom, extendable to 40x Dynamic Fine Zoom, with wide-angle coverage of 25-500mm (35 mm format equivalent).

Full HD movies

Be ready to capture all the fun instantly in Full HD (1080/60i) with 4-Axis Hybrid VR) with a one-touch movie record button. You can edit during playback to delete unwanted footage too.

Time-lapse movie

Time-lapse looks impressive, but this feature makes it simple. Just select a shooting scene and a 10-second time-transition movie will be automatically produced from stills captured with interval timing.
