I AM REACHING FOR THE SKY

COOLPIX P900

If you’re keen to capture super-telephoto shots of wildlife or the night sky with details not visible to the naked eye, you’ll want the COOLPIX P900 with its incredible 83x optical zoom. You can react instantly for the ideal shot with rapid AF and a reduced shooting time lag, while Dual Detect Optical VR enhances blur reduction. The vari-angle monitor and built-in electronic viewfinder make flexible composition easy for both stills and Full HD movies, plus images can be shared instantly with built-in Wi-Fi¹ and NFC² support. Built-in GPS/GLONASS/QZSS support pinpoints locations to track travel routes too. With comfortable shooting and outstanding image quality, the COOLPIX P900 helps you bring home the beauty of nature in beautiful detail.

16.0 effective megapixels  83x Zoom  7.5 cm/3-in. LCD monitor  Wi-Fi NFC
