If you want to record life effortlessly, you’ll love the COOLPIX L340! It’s a classic-styled camera that can go from wide-angle to telephoto, yet is still compact. It will take you right to the heart of the action with a 28x optical zoom lens, extendable to 56x Dynamic Fine Zoom¹. Crisp shots and smooth HD movies are assured with an easy-hold grip that minimises the effects of camera shake. Operation is simple and the large 7.5cm/3-in 460k-dot LCD monitor makes framing your shots a breeze. Special moments are captured with ease in high quality images and movies with the COOLPIX L340.
NIKKOR 28x optical zoom lens

Capture stunning facial expressions or distant action with the 28x optical zoom – extendable to 56x Dynamic Fine Zoom1 – giving you focal length coverage of 22.5–630mm (35 mm format equivalent).

Wide-angle coverage

Whether you’re shooting family fun or out at events and celebrations, you’ll always be close to the action with the zoom lens giving you wide-angle to telephoto coverage.
